

blue gums hotel

ALFRESCO FUNCTIONS

The Blue Gums Hotel has a function area that holds up to 90 seated, and approximately 120 people for a cocktail style event. (numbers will change dependant on weather conditions)

You and your guests can enjoy our facilities all year round, as the design allows for either an enclosed, or open plan event, with the choice of heating or ceiling fans if necessary.

You are more than welcome to bring along some cd's to play through our sound system, thanks to the 5 disc cd stacker located behind the bar.

Decorations are also not a problem. Please feel free to bring along some balloons, streamers or any other decorations you would like to tailor the event to your needs. Just speak to one of our staff, and they can advise you of any restrictions we may have.

To book our alfresco area, the following terms and conditions must be adhered to:

- A \$150.00 room hire charge is applicable if you wish to have the alfresco area for exclusive use.
- This is non-refundable, as it is a charge
- A minimum of \$500 spend on drinks over the bar
- A minimum of \$8.90 per head on food (refer to cocktail food menu & set menu).
- If the Blue Gums hotel deems it necessary, security may be organized at a cost to you. (Current rates from our provider are approx. \$35 per hour)

Please note, that if you have any special requirements or would like to discuss your function further, please do not hesitate to contact our Bistro Supervisor Sjanie Wilson on our business number.

*Please refer to the attached cocktail food menu, and three course set menus for all of your culinary options.

Thanks for your enquiry...
